May 2009

The Lion of Judah Academy is flourishing in God's grace.

Many of you have asked about the Lion of Judah Academy Enrollment and Scholarship Statistics Summary for 2009.

LJA 2009 School Summary

Total Students	Girls and Boys	Day or Boarding	Scholarship Categories	Student Scholarship Needs	Designated Scholarship Income
356	165 G 46%	159 Day 45%	70 Pastors 37%	\$42,368.00	\$35,600.00
76 New	191 B 54%	197 B 55%	48 Villager 25%		
			29 Poor in TZ 15%		(\$6768.00)
			20 LJA 10%		
			16 NTC 9%		
			7 Orphans 4%		
			190 53% of Total Students		

The following students need specific sponsors. With the cost of living increasing around Bulima the villagers really need some help to continue attending the school. Therefore we have included many more of them in our scholarship fund. Would you be willing to take on another child or help us find a sponsor for one of these children. Maybe you know just one other person who would like the opportunity to help one of these kids. While we usually ask for \$150 for a day student and \$600 for a dorm student, any amount will be appreciated. Thank you.

The students love to get letters. The closest post office is about a half-hour drive to Magu. So Mtebe usually goes to check for mail about once a week along with the shopping.

You can send your letters to: Student's name, The Lion of Judah Academy, Box 268, Magu, Tanzania, Africa.

If you want to send a package, please do not put any personal names on the box. Simply write: The Lion of Judah Academy and the address. Add the person's name on the inside of the package. This may help with custom charges. The postage to the US is about \$1, so if you would like to receive a letter in return you may want to add a dollar to your letter. There is no guarantee that it will get there or be used for that purpose, but 1300/= is a lot for some families to spend on a return letter.

Hart and Lynn will be going to LJA this summer, so if you would like us to take a letter to your student you can send it to us by June 5th for Lynn or June 25th for Hart. We will hand deliver your letters.

Bad News, Good News

Bad news: Our wonderful, old, faithful Land Cruiser was in an accident. The driver was avoiding a motorcycle and swerved off the road, rolled over and hit a tree (one of the few in TZ). Good news: We praise God that no one was seriously hurt, the damage was primarily cosmetic, and the repairs were only about \$4000. Thank you so much to those of you who have contributed toward the repairs of the car. A photo of the car after the accident is at the end of this newsletter.
